Dear Reference,

You have been asked to provide a confidential recommendation for the above named applicant. She is applying for a position at Brighton Girls Camp where young women, ages 12 and 13, can grow in personal testimony, confidence and enjoy the beauties of nature.

We are looking to hire mature, fun-loving, young adult age women who love the outdoors and who have strong testimonies of the restored gospel of Jesus Christ. Those hired will be responsible to teach gospel principles, instill values of the Church of Jesus Christ of Latter-day Saints, and encourage the discovery of individual testimony and talents. This is both a demanding and rewarding summer job. We expect a great deal from our staff members in terms of spiritual preparation, physical work, personal responsibility, initiative, and desire to serve others. In return, there are many opportunities to increase in spiritual, emotional, intellectual, and physical strength.
