

Registration Checklist For Independent Campers

Welcome to Brighton Girls Camp! We are so excited to have you join us!
In order to successfully register for camp, please do the following items:

Complete within 1 week of registering.

- ❑ Get excited about camp! Talk with friends who have attended Brighton previously, follow us on social media or visit our website brightongirlscamp.org.
- ❑ Check the dates of availability on our website and determine which one works for your family. You must commit to the ENTIRE week.
- ❑ Carefully review the policies section on our website and discuss each one with your daughter. Seriously, please read and discuss! Understanding and preparation minimize issues, worries and anxiety for both parents and campers.
- ❑ Gather general, health and insurance information that you will need to complete the online registration process.
- ❑ Verify bunkmate request and carefully list on the signature page AND on the online registration form. We can't stress the importance of this enough. We want your daughter to have the best possible experience at Brighton and nothing can ruin the week quicker than a mix-up with bunkmates. Remember you can request only **ONE BUNKMATE**.
- ❑ Register online. Spots are reserved on a first-come, first-serve basis. Your request will be confirmed via email within 48 hours of your submission.
- ❑ Print and sign the signature form. *Parents/guardians, campers, and bishop or yw president will need to sign.* Mail it to Brighton Girls Camp Registration.
- ❑ Pay fee of **\$195**. **BRIGHTON CANNOT ISSUE REFUNDS** as they are spent well in advance of your week at camp. We can only accept checks as payment.
- ❑ **Mail fee (checks only) AND the signature form** to the address that will be included in your request confirmation email. You will receive a final email confirmation when we receive your payment and signature form and you will be officially registered for camp.
