

BRIGHTON GIRLS CAMP, dedicated in 1922 by The Church of Jesus Christ of Latter-day Saints, is set aside for our younger girls to leave the world behind for 5 days and grow their testimonies and help solidify their identity as a Daughter of Heavenly Parents. Brighton Girls Camp is fully staffed with exceptional young women 16 - 24 with strong testimonies and a desire to share their love of the gospel with campers. Any girl born in 2009/2010 who wants to learn more about her divine purpose is eligible for camp this summer.

This overnight camp, in the beautiful Big Cottonwood Canyon, runs Monday - Friday and is filled with fun and challenging activities that help girls grow their physical, social, and spiritual confidence. Girls are assigned to a camp counselor with 9 other girls, stay in cabins, love having real bathrooms and showers, and are treated to great meals and cookouts. Brighton Girls Camp has been quietly changing lives for over 100 years and is continuing this powerful tradition. Activities include hiking, zip line, life line, ropes courses, rappelling, crafts, singing, brownie hike, sunrise hike, games, cookouts, devotional with well-known speakers, and the amazing opportunity to make new friends.

If you're looking for a way to support the girls in your life and help them stand strong in life's most difficult times, we invite you to consider Brighton Girls Camp this summer. Please find attached a link to our fun website filled with all the information regarding this little-known piece of heaven along with registration information.
